The appropriate unit is limited to employees in any of the above positions and shall EXCLUDE the following positions: Title I, Title II, Title III and Title VI project CETA employees and all other employees of the Manatee County School Board.

ARTICLE IV - ASSOCIATION RIGHTS

Section 1 - Right to Views:

Nothing contained in this agreement shall be construed to limit, impair or affect the right of any employee or his/her representative to the expression or communication of a view, grievance, complaint, or opinion on any matter related to the conditions or compensation of public employment or his/her betterment.

Section 2 - Bulletin Boards and Mail:

The Association shall have the right to post notices of activities and matters of Association concern on an appropriate bulletin board on each school campus.

Section 3 - School Access:

Duly authorized representatives of the Association and its affiliates shall not interfere with or disrupt normal school operations and provided they make their presence known and secure permission from the Principal or his/her designee. If the Superintendent and the MEA agree a topic is a mutual concern, a representative of the Association may be included on the school center faculty meeting agenda.

Section 4 - Request for Dues Deduction:

Employees shall have the right to request and be allowed dues deduction provided that dues deductions and the proceeds thereof shall not be allowed to any employee association that has lost its rights to dues deduction pursuant to 447.507 of Florida Statutes. Upon receipt of a properly executed authorization card of the employee(s) involved and the school district shall deduct from the employee's paycheck beginning no later than the second pay period from the date notice of deduction is received by the Human Resources Department the dues that the employee has agreed to pay to the employees' Association as certified by the Association. These deductions shall remain in effect while the employee remains employed by the School Board or until the employee revokes the said deductions upon 30 day written notice to both the School District payroll office and the Association.

Deductions shall be made over 20 equal pay periods and made available at the School Board offices or placed in the U.S. mail monthly to the employees' Association on or before the first workday of the following month unless unforeseen circumstances cause a delay.

Any dispute as to the amount of dues deducted shall be solely between the Association and the employee involved and the Association shall hold the School Board harmless from any liability arising from the deduction of any dues as certified by the Association. Dues deductions in effect shall remain in effect until deductions are terminated by the employees.

Section 5 - Uniform Assessment:

Employees shall have the right to and be allowed a uniform assessment. This assessment shall appear in the second dues deduction window and shall be deducted annually from the June 10

Section 6 - Leave for Bargaining Team Members:

The parties agree to normally schedule bargaining during summer months when the regular school year is out of session and during the school year when teachers are normally not on duty, if possible. However, the parties recognize that unusual circumstances arise on occasion, such as special master hearing or mediation which, in order to expedite bargaining, may make it necessary for the M.E.A. team members to be released from their duties to attend bargaining session. On such occasions, the Superintendent agrees to release M.E.A. team members from their duties to attend such meetings. The number of team members released shall not exceed ten (10), including the teacher bargaining team members.

Section 7 - Professional Inservice Days:

Up to three (3) duly elected Association delegates may be approved to attend inservice programs conducted at the state FEA/United Convention, if, after the Superintendent reviews the agenda, the Superintendent and Association agree that release of such employees will benefit the school system. Such leave shall only be granted on an inservice day and shall be at no additional cost to the School Board.

Section 8 - Association Days:

Upon request by the Association, the Superintendent may grant leave to an individual who represents the Association when he/she deems the purpose of the leave to support the mission of the Board. The Association agrees to reimburse the Superintendent for the costs of providing substitutes.

ARTICLE V - EMPLOYEE CONDITIONS

The School Board will receive input from the Association in the development of the School Calendar.

Section 2 - Basic School Day:

Assistant teachers shall be scheduled for 7-1/2 hours per day, inclusive of the normally scheduled thirty (30) minute uninterrupted, duty-free lunch period. Teacher Aides shall be scheduled for 7 hours per day, exclusive of a normally scheduled thirty (30) minute, uninterrupted duty-free lunch. Paraprofessionals shall receive a fifteen (15) minute break each morning and afternoon.

Section 3 - Employee Reprimand:

When an administrator deems it necessary to reprimand an employee, it shall not be done publicly unless the situation is such that immediate or emergency action must be taken. For the purposes of this agreement the word reprimand shall mean, "Censure formally".

Section 4 - Unsafe Conditions:

When a paraprofessional reports in writing to his/her immediate supervisor any unsafe working conditions, the Superintendent or his designee shall investigate these reported conditions. The Paraprofessional shall be informed of the results of the investigation.

Section 5 - Association Representation:

Any paraprofessional summoned by a principal, immediate supervisor, or any administrator to a conference for the express purpose of discussing dismissal or issuing a formal written reprimand, shall have the right to be accompanied by a representative of the Association. The definition of "dismissal" shall not include the non-renewal of an annual contract. The definition of "reprimand" shall be that found in Random House College Dictionary, First Edition.

Any paraprofessional, who requests Association representation and is denied Association representation under this section, shall have the right to terminate such a meeting until Association representation is available.

The following are the types of instances where employees are entitled to representation:

1. **Informal Conference:** An informal conference is held to identify expectations and provide direction orally. The administrator may document the informal conference in his/her calendar. (The informal conference cannot be used as part of an investigation.)
2. **Directive:** A written notice of expectations given to the employee. A copy of the Directive may be maintained by the administrator in a correspondence file, however, no copy is placed in the employee's personnel file.
3. **Conference of Record or Memo of Conference:** The administrator should give the employee written notice, stating the purpose of the conference. The employee may have representation, if requested. A written record of the conference will be placed in the employee's personnel file and a copy provided to the employee.

- 4. Letter of Reprimand:** The administrator should give the employee written notice, stating the purpose of the conference. The employee may have representation, if requested. A copy of the reprimand will be placed in the employee's personnel file and a copy provided to the employee.

Note that these four instances are examples of actions that may be used depending on the particular situation.

Except in cases deemed to be an "emergency", paraprofessionals shall be given prior written notice and a statement of the reason for any conference called for the express purpose of discussing dismissal or issuing a formal written reprimand.

In the case of an emergency such as assault, intoxication or influence of narcotics, the paraprofessional's right to Association representation may be postponed, but not denied. A paraprofessional may have Association representation at any meeting with an administrator, called by the administrator for the express purpose of discussing dismissal.

Paraprofessionals are not entitled to Association representation in evaluation or observation conferences unless the paraprofessional has been notified that performance deficiencies could result in dismissal or unless the meeting is for the purpose of such notification.

Section 6 - Notification of Reappointment:

- A. Employees shall be notified, in writing, of their reappointment, within a reasonable period of time after they are reappointed by the Board. Employees not reappointed for the next school year shall be notified in writing, of their non-reappointment, no later than May 15.
- B. For the purposes of this agreement, the term permanent position shall mean a position which is expected to carry over into a succeeding year regardless of the number of hours worked per week. The employees filling such a position, whether full time or part time, pays FICA and is eligible to participate in the insurance programs.
- C. Probationary Employees: During the first 120 days of employment an employee in a permanent position may be dismissed without cause. Any employee, who successfully completes the first one hundred twenty days of employment in a permanent position, shall be eligible to be appointed for the remainder of the school year or for the remainder of the school year plus one additional school year if s/he is employed after November 1. This appointment for the remainder of the school year or for the remainder of the school year plus one additional year, shall carry no expectation of continued employment and no cause shall be required for non-reappointment or failure to appoint as a permanent employee.
- D. After completion of this appointment period, the employee may be reappointed as permanent employee without the necessity of annual reappointment. After the employee is appointed as a permanent employee s/he may only be dismissed for cause or as a result of a reduction in force.

Section 7 - Reduction in Force:

A. General

1. Nothing in this Article shall limit the Board's right to non-renew an annual appointment of a paraprofessional. The School Board, under the terms of this agreement, will not exclusively utilize non-renewal in the case of a needed reduction-in-force.
2. The School Board shall have the sole authority to determine when a reduction-in-force (R.I.F.) is necessary and which programs and/or positions shall be eliminated or reduced.
3. The Superintendent or his/her designee shall determine which schools or district-wide paraprofessional areas will lose units as result of the Board's decision.
4. The Superintendent or his/her designee shall annually prepare a seniority list for each area and post in each school which ranks the paraprofessional in the order of their length of continuous service in the bargaining unit, including approved leaves, by assigning a seniority number to each paraprofessional in his/her area (defined below) to be used according to this plan. Copies of these lists shall be provided to the Association. A seniority number shall be determined by the first day of work.
5. Where two or more paraprofessionals have the same length of continuous service, including approved leaves, a lottery system shall be used to assign seniority numbers. An Association representative shall be present at any lottery.
6. Any paraprofessional who would have qualified for retirement during the reduction year is sixty-one (61) years old or has twenty-nine (29) years of service, shall be permitted to work that year to acquire needed service. A paraprofessional who would qualify under this language must place, on file with the School Board, an intent to retire letter. It is understood by both parties that, for the purposes of this ARTICLE, this would be a binding document except by special action of the School Board.

B. Procedure

1. In a Reduction-in-force, the paraprofessional(s) who has the least seniority in his/her area shall be RIFed. If this is not the unit(s) which the administration has identified for reduction, the involuntary transfer provision of this agreement shall be used for transfer purposes. Seniority numbers shall be used to determine seniority within a paraprofessional's area. Seniority shall mean the length of continuous service in the bargaining unit, including approved leaves.
2. The area a paraprofessional is in shall be determined by the position the paraprofessional holds at the time of the R.I.F. Prior experience in other areas in the same position shall count toward seniority. An "area" as used throughout this ARTICLE shall mean: (1) elementary teacher assistant, (2) secondary teacher assistant, (3) elementary teacher aide, (4) secondary teacher aide and (5) exceptional child teacher aide, (6) One on One ESE Aide, (7) Educational Interpreter, (8) Clinic or Health Aide, (9) Social Educator, (10) Parent Liaison or (11) any position paid on the Paraprofessional Schedule I or II. The Superintendent may identify persons who have

special skills such as fluency in a foreign language, signing, skills in the area of technology or other skills which are difficult to replace. Any person so identified shall be exempted from the RIF, regardless of the "area" into which they fall.

3. Any paraprofessional who is RIFed shall be no longer entitled to salary or fringe benefits unless specifically defined in this ARTICLE and his/her contract will be severed except for rights contained in the provisions in the Recall Section of this ARTICLE and ARTICLE XIII.
4. When the Superintendent determines that it is necessary to recommend a reduction in force to the School Board, the Superintendent or his designees shall notify the Association. The Association shall be provided a list of paraprofessionals who will probably be reduced as soon as it is compiled.
5. Within a reasonable time after the paraprofessional positions to be reduced have been identified and the reduction in force has been approved by the Board, the Superintendent or his designee shall notify all paraprofessionals, in writing, who are to be laid off. The administration shall provide the Association with a copy of all Reduction in Force notifications.

C. Recall

1. As vacancies become available, the laid-off paraprofessional with the greatest length of service, including approved leaves, in the bargaining unit, shall be offered the position first.
2. As long as vacancies exist, in the area from which a RIFed paraprofessional was laid off, no new paraprofessionals shall be hired for the vacancy in that area during the recall period. Recall rights shall expire after 15 months following Board action authorizing a RIF.
3. It shall be the responsibility of the laid-off paraprofessional to be certain that the personnel office has a correct, current address during lay-off and to be available for mail notification. Failure to do so may result in forfeiture of lay-off rights. A laid-off paraprofessional who is offered recall must indicate in writing within 72 hours from notification, whether or not he/she accepts the recall. Failure of the laid-off paraprofessional to respond shall terminate the paraprofessional right to recall. If a laid-off paraprofessional declines a position, he/she shall forfeit any rights to further recall.
4. No credit on the salary schedule shall accrue during layoff periods.
5. A laid-off paraprofessional shall have the right to continue life and health insurance benefits at no cost to the Board for a period not to exceed the recall period from the time of lay-off or until the paraprofessional obtains employment elsewhere, whichever occurs first. (Not including established "moonlight" positions and temporary

employment.) This section is not intended to alter any rights an employee may have under C.O.B.R.A. provisions.

6. Upon returning to work, a recalled employee will resume fringe benefits which had accrued prior to the lay-off. These include: sick leave and sick leave bank, except that a paraprofessional shall contribute any days due the bank at the time of recall. If a paraprofessional has no days to contribute, he/she shall not be in the bank until such time as he/she has days to contribute.

D. Unusual Circumstance

1. If the Superintendent is presented with an unusual circumstance, he may, in the best interest of the School District's instructional program, use the following procedure for securing an exception to this ARTICLE.
2. If agreement cannot be reached between the parties to modify or waive the provisions of this ARTICLE, the parties shall participate in mediation with a mutually agreeable mediator. If the parties cannot agree on mediator, a mediator will be selected by alternate striking from an American Arbitration Association supplied list.
3. If the parties are unable to reach agreement through mediation, the person selected for mediation shall assume the role of advisory arbitrator and shall determine whether the waiver or modification desired by the Superintendent is in the best interest of the school district.

All formal observations and evaluations shall be conducted with the knowledge of the employee being evaluated.

APPENDIX “D” – Life Insurance

Employee Life Insurance Premiums – Contract Year 2017-2018
(Effective April 1, 2012)

- Employees shall pay zero (0) premium for a life insurance benefit equal to 1x the employee’s salary. The full premium for such benefit shall be paid by the District.
- Employees electing for greater life insurance benefit shall pay a monthly premium equal to \$0.172 per thousand dollars of that employee’s salary.

Example:

An employee who makes \$20,000/year will receive a \$20,000 life insurance policy at no cost to that employee. That same employee would pay \$3.44 per month to “buy up” to a 2x salary (\$40,000) life insurance benefit: $(\$20,000/\$1000 = 20 \times \$0.172 = \$3.44 \text{ per month})$.
